Project Number	50
Project Title	FDP connect
Document	Project Plan
Creation date	2022/02/11
Created by	Tisha Dubey, Venika Shruthi, Shashwat Singh, Lokesh Paidi
Client	Pratik Das

Brief problem statement

The project is the part of a whole suite of applications that make the service. The service is an all-round dashboard for users in the import export business.

The project specifically focuses on collecting news articles that would be relevant to the import export business. The component should also try to rank them in some order of relevance.

Team Members

- Tisha Dubey
- Venika Shruti
- Lokesh Paidi
- Shashwat Singh

Team Communication

- Meeting once every two days.

Development Environement

- Python
- nltk

Milestone Schedule

Milestone	Due Date	Release	Deliverable
Create draft requirements	2022/02/19	R1	No
Finalize requirements	2022/02/19	R1	Yes
Basic vectorization prototype	2022/02/26	R1	Yes
Basic Ranking prototype	2022/03/03	R2	yes
API version 1	2022/03/10	R2	Yes
